Team ID	
Project Name	Smart Lender-AI-Based Loan Eligibility Prediction System
Maximum Marks	4 Marks

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

SAYS . I want to know if I am eligible for a loan . The application process should be simple . I need quick and accurate results	I	THINKS . Will my loan be approved? . Is my personal information secure? . Can I trust this prediction?
DOES . Opens the Smart Lender website. . Enters personal and financial details . Checks the loan eligibility result	Loan Applicant <i>(User/Customer)</i>	FEELS . Curious before applying . Anxious while waiting for the result . Happy if eligible, Disappointed if not.
