Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	• Opens Smart Lender website. • Reads about the loan eligibility service. • Clicks on "Check Eligibility".	• Enters personal details. • Provides income, employment, and loan details. • Submits the application.	• Waits for prediction. • Views loan eligibility result. • Downloads or saves the result.
Touchpoint <i>What part of the service do they interact with?</i>	• Homepage • Navigation Menu • Loan Information Page	• Loan Application Form • Input Fields • Submit Button	• AI Prediction Page • Result Dashboard • Download/Recommendation Section
Customer Thought <i>What is the customer thinking?</i>	• "Can this system help me?" • "Is it reliable?" • "Will it be easy to use?"	• "I should enter correct information." • "Will my data be secure?" • "I hope I qualify."	• "Why was I approved/rejected?" • "What should I improve?" • "Can I apply for a real loan?"

Customer Feeling <i>What is the customer feeling?</i>	Curious 😊	Hopeful & Focused 😊	Happy 😊 if eligible / Disappointed 😞 if not eligible
Process Ownership <i>Who is in the lead on this?</i>	• UI/UX Team • Frontend Developer • Project Manager	• Backend Developer • Database Team • Validation Team	• AI/ML Team • Backend Team • Testing Team
Opportunities <i>How can we improve this stage?</i>	• Improve UI design. • Add clear instructions. • Make website mobile-friendly.	• Reduce form-filling time. • Add auto-validation. • Save user progress.	• Faster prediction. • Explain approval/rejection reasons. • Suggest ways to improve eligibility.
